<sup>1</sup>Out of home placements include the following:

- Level I Facilities
- Level II Facilities
- Level III Facilities

Level I Facilities - Inpatient services (including room and board) are provided by an OBHL licensed Level I behavioral health agency and include the following subcategories: hospitals, subacute facilities and residential treatment centers. These facilities provide a structured treatment setting with daily 24-hour supervision and an intensive treatment program, including medical support services.

Level II Facilities - Residential services that are provided by an OBHL licensed Level II behavioral health agency. These agencies provide a structured treatment setting with 24-hour supervision and counseling or other therapeutic activities for persons who do not require on-site medical services, under the supervision of an on-site or on-call behavioral health professional.

Level III Facilities - Residential services that are provided by an OBHL licensed Level III behavioral health agency. These agencies provide continuous 24-hour supervision and intermittent treatment in a group residential setting to persons who are determined to be capable of independent functioning, but still need some protective oversight to insure they receive needed services.
